

William Caruso & Associates, Inc. (WC&A) Partners Bill Caruso and Des Hague Announce Company Name Change to WC&P

Corporate Name Change Reflects Global Growth

Denver, CO ([PRWEB](#)) February 16, 2016 -- William Caruso & Associates, Inc. (WC&A) has announced a corporate name change to WC&P, - William Caruso and Partners. This name change reflects the recent corporate changes which include the partnership with Des Hague, Co-Founder of Aegis Enterprises, and the promotion of WC&A's Director of Design, Steve Young, to Partner/Director of Global Design. In addition, WC&A recently formed a strategic global alliance partnership with Germany-based BBG Consulting, GmbH. (<http://www.bbg-consulting.com/>).

"We are excited to announce our new corporate moniker which expands our horizons and global reach throughout the world," said WC&P Founding Partner, Bill Caruso. "With new offices in Germany and Greece as well as future announcements forthcoming in South America and new office openings in the United States, we are excited to expand our brand into markets that desire both the quality and breadth of services that our firm has provided for over 30 years."

"Our name change is reflective of the advances we have made to position our firm as the company for our current and future clients to partner with on enhancing their hospitality efforts. WC&P is geared up to keep expanding globally in the years ahead," stated Des Hague, Partner of WC&P and Co-Founder of Aegis Enterprises.

About WC&P:

WC&P, Inc. specializes in commercial food/beverage, laundry and solid waste systems planning and design services. Headquartered in Denver with offices in Athens, Berlin, Düsseldorf, Philadelphia, San Francisco and Scottsdale, WC&P has completed over 9,000 projects in 30 countries around the globe, an unmatched record in our very specialized industry. WC&P's diverse project portfolio includes completed food, laundry and solid waste systems facilities for hotels, universities, schools, correctional systems, hospitals, corporate headquarters, convention centers, stadiums, arenas, and others.

About Des Hague:

A renowned executive with over twenty-five years of leading global public and private companies, Des Hague has established himself as an innovative thinker in the international business world. His forward-thinking approach pushes companies toward sustainable growth, granting them a position as resilient competitors within their respective industries. Hague most recently was the CEO and President of Centerplate, Inc, the largest event hospitality firm in North America. source: <http://deshague.com>. Hague also serves on the boards of DVETelepresence, PING HD, WC&A, Inc, and the Stamford Youth Foundation along with advising on several start-up ventures.

Along with his professional projects, Des Hague contributes significant amounts of time and energy to non-profit charitable work. Hague has helped raise more than \$100 million over the past few years for many non-profits, including the Stamford Youth Foundation, a local organization offering multiple after-school programs for young people, and The Journey Home, a Baltimore-based Foundation fighting homelessness. Hague views AEGIS, LLC. as a perfect blending of business and philanthropic activities.
